Crystal Care introduces to the new concept in caring for your Chandelier and lighting, working in the RETAIL and COMMERCIAL and HOSPITALITY lighting Industry, for over Twenty years and constantly being asked for manufacturing, restoration, cleaning services for Chandelier. We thought it was about time that Professional Services would be available to Chandelier owners. This is where CRYSTAL CARE came into existence.

Crystal Care is a professional unit formed by Taheri S. Indorewala (M.B.A.) based upon the belief that the client is entitled to receive a high class service beginning with the initial enquiry to completion of the contract with full after service as required, all provided by highly experienced personnel. This belief extends from the smallest to the largest order.

Any kind of innovation in designs would be customized as per client's requirement so that Chandelier appears to glow from within.

We have full capabilities to provide repairs that need to be done at your place or in our facility.

In respect of restoration and cleaning quotations please telephone or email with photograph for further details.

We offer nationwide Services.

We take great pride in leaving a "SPARKLING RESULT EACH AND EVERY TIME"

Crystal Care is always operating at or above industry standards with assurance.
